

Another Sweet Baby Gift Idea.. Mia Belle Baby

Mia Belle Baby, a children's couturier of luxurious products and accessories for the modern, discerning parent, offers exuberant, yet sensible products that are beneficial to child development. Mia Belle Baby's Royal Dreams Collection features the patent-pending Slumber Totes which cradle and calm babies during sleep. Carrying over the soothing concept of the Slumber Totes is also the Mia Belle Baby Bunny Pals. Equipped with "soothers," both products help oral and thumb-sucking babies learn how to self soothe and go back to sleep on their own during the night and naptimes whether at home or on-the-go. Offering a modern twist on vintage glamour, Mia Belle Baby's collection of infant and toddler accessories includes a myriad of items from hooded towels and headwear to stroller liners and comfy, cozy blankets.
